- 37.3% - Yes
- 61.1% - No

- 1.6% - Unsure (DO NOT READ)

QUESTION 11: If asked today, would you support a POINT THREE NINE PERCENT EARNED INCOME tax, which would cost someone EARNING \$30,000 per year \$9.75 per month?

- 45.1% - Yes
- 41.7% - No
- 13.2% - Unsure (DO NOT READ)

Read Statement: The City of Springfield is at a crossroads. A new source of funding is needed in order to maintain the present level of city services. An additional POINT THREE NINE PERCENT EARNED INCOME TAX is required to maintain current service levels. The POINT THREE NINE PERCENT would be used to replace the revenue losses and cuts in state funding. The following questions will address specific services that may be cut or reduced if additional revenue is not obtained.

QUESTION 12: Without additional revenue from an earned income tax, the city believes it will be forced to further reduce its police department capability, which is already at minimum staffing levels, by eliminating up to 10 civilian employees. With this staff reduction, officers will be pulled off the street for administrative duties resulting in slower response times. Knowing this, would it make you...

- 15.7% - Very supportive of an earned income tax
- 35.9% - Supportive of an earned income tax
- 22.0% - Neutral
- 10.4% - Unsupportive of an earned income tax
- 8.1% - Very unsupportive of an earned income tax
- 4.2% - It does not matter
- 3.7% - Unsure (DO NOT READ)

QUESTION 13: Without additional revenue from an earned income tax, the city believes it will be forced to reduce its police department services by closing the Police Substation on Johnny Lytle (Light-el) Ave., which also serves as a neighborhood community center. Knowing this, would it make you...

- 15.3% - Very supportive of an earned income tax
- 31.0% - Supportive of an earned income tax
- 24.8% - Neutral
- 11.8% - Unsupportive of an earned income tax
- 6.5% - Very unsupportive of an earned income tax

- 7.2% - It does not matter
- 3.3% - Unsure (DO NOT READ)

QUESTION 14: Without additional revenue from an earned income tax, the city believes it will be forced to reduce its fire department capability, which is already at minimum staffing levels, by closing Fire Station #5. This reduction in capability would lead to slower response times for both Fire and Emergency Services. Knowing this, would it make you...

- 18.8% - Very supportive of an earned income tax
- 41.0% - Supportive of an earned income tax
- 17.1% - Neutral
- 9.5% - Unsupportive of an earned income tax
- 5.6% - Very unsupportive of an earned income tax
- 4.4% - It does not matter
- 3.7% - Unsure (DO NOT READ)

QUESTION 15: Without additional revenue from an earned income tax, the city believes it will be forced to abandon the neighborhood street paving program, which is already paused due to lack of funds. Knowing this, would it make you...

- 20.4% - Very supportive of an earned income tax
- 32.4% - Supportive of an earned income tax
- 21.3% - Neutral
- 13.7% - Unsupportive of an earned income tax
- 7.4% - Very unsupportive of an earned income tax
- 3.7% - It does not matter
- 1.2% - Unsure (DO NOT READ)

QUESTION 16: Without additional revenue from an earned income tax, the city will reduce funding to National Trail Parks and Recreation District putting the future of the Splash Zone pool at risk. Knowing this, would it make you...

- 14.4% - Very supportive of an earned income tax
- 24.5% - Supportive of an earned income tax
- 27.5% - Neutral
- 16.4% - Unsupportive of an earned income tax
- 8.1% - Very unsupportive of an earned income tax
- 6.9% - It does not matter
- 2.1% - Unsure (DO NOT READ)

QUESTION 17: Without additional revenue from an earned income tax, the city believes it will be forced to cut recreational and housing programs that currently benefit seniors. Knowing this, would it make you...
